# PERFORMANCE HISTORY

**RD CONSTRUCTION IMPLEMENT DIFFERENT PROJECTS, INNOVATIVE TECHNOLOGIES AND USE AN INDIVIDUAL APPROACH FOR EVERY CLIENT! BUILDZOOM SCORES US ABOVE 97% OF 336,931 CONTRACTORS IN CALIFORNIA.**

**R.D. ENGINEERING & CONSTRUCTION, INC.**, a general contracting corporation (“R.D.”), was founded in 1978, and has continued operating solely under the auspices of Robert D. Davison, Jr., President. We specialize in unique engineering and telecommunication projects. R.D. is proud of our client base which includes well known industry giants: AT&T, Century Link, Sprint PCS, Verizon Wireless, T-Mobile, Ericsson, Inc., Motorola, Crown Castle, GTE Inc., Bechtel Telecommunications, Crown Castle, SBA, American Tower Corp., Black & Veatch, 7-11, etc.

We provide professional and timely services to all of our clients. This type of service has been the cornerstone to R.D. developing a superior reputation in all of the industries we serve. R.D. has extensive experience in the management and completion of the following types of projects:

- ◆ GENERAL SITE CONSTRUCTION
- ◆ GENERAL ENGINEERING CONSTRUCTION
- ◆ ARCHITECTURAL DESIGN
- ◆ TELECOMMUNICATION
- ◆ DESIGN / BUILD
- ◆ GENERAL SITE DEVELOPMENT

**R.D. ENGINEERING & CONSTRUCTION, INC.** expanded operations to include the Western United States in 1989. We have completed projects in the following states: Hawaii, Nevada, Arizona, Utah, Texas and California, as well as in other states on a single project basis, with great success. Examples of various projects consist of telecommunication sites, fiber optic pop facilities, site maintenance contracts, site acquisitions, and county regional communication systems.

**R.D. ENGINEERING & CONSTRUCTION, INC.** is readily available and looks forward to addressing any specialized engineering, construction, and/or architectural project requests or concerns our clients may have.
